Dear Ms. Bornt:

Re: Notification of Qualification Extension Approval, MIL-PRF-19500R, FSC 5961; VQE-25-039834, CAGE Code: 8QKQ6; Control Number: 092947.

Qualification extension approval of your product is granted under the current issue of the specification because of previous successful full qualifications testing of encapsulated devices belonging to performance specification sheets /786 (no amendment) and /782 (no amendment). Extension was requested to cover unencapsulated devices and is granted to the other devices listed below as allowed by paragraph E.4.2.2 (Qualification by extension). Therefore, your products will be listed as shown below in the Qualified Manufacturers List (QML) 19500. The effective date for this qualification is September 18, 2025.

This qualification approval is based upon the test reports listed above and your letter dated August 22, 2025. This approval is subject to the conditions stated in SD-6 and DOD 4120.24M.

Because we are held responsible for the accuracy and currency of this Qualified Manufacturers List, please let us know if your company discontinues production of these products. In addition, manufacturers are required to inform this office immediately after learning of a potential issuance of a GIDEP alert, problem advisory, or other problem notification on their QML product. If you have any questions about this letter, contact Ms. Amelia Murphy at 614-693-2968.

Sincerely,

RAYMOND L. KOLONCHUK
